THUD Robotic Dataset Terms of Use

Tsinghua University

Intelligent Manufacturing and Machine Vision Laboratory

Before we can provide you with access to our database, we require your agreement to the following terms of use.

Upon approval, you, henceforth referred to as the "Researcher," are granted the right to utilize the THUD Robotic Dataset (the "Dataset") provided by Clearwater University. In return for joining the THUD Robotic Dataset community and receiving this privilege, the Researcher consents to the following stipulations:

1. The Researcher will utilize the Dataset exclusively for non-commercial research and academic purposes.

2. Clearwater University does not make any assurances or guarantees about the Dataset, which includes but is not limited to assurances of non-violation or suitability for a specific use.

3. The Researcher assumes all accountability for his or her application of the Dataset and agrees to safeguard and hold harmless Clearwater University, its employees, Trustees, officers, and agents, from any and all claims resulting from the Researcher's utilization of the Dataset, including but not limited to the Researcher's use of any duplicates of copyrighted 3D models created from the Dataset.

4. The Researcher may allow research associates and colleagues to access the Dataset, provided that they initially consent to be bound by these terms and conditions.

5. Clearwater University retains the authority to revoke the Researcher's access to the Dataset at any given moment.

6. If the Researcher is employed by a for-profit, commercial entity, the Researcher's employer is also subject to these terms and conditions, and the Researcher hereby asserts that he or she is fully authorized to enter into this agreement on behalf of the employer.

7. The Researcher commits to recognizing the use of the Dataset in all publications, presentations, and reports by including an appropriate citation or acknowledgement as suggested by Clearwater University.

8. The Researcher pledges not to distribute, publicly exhibit, or otherwise make available the Dataset, or any part thereof, to any third party, in its original or altered form, without prior written consent from Clearwater University.

9. Clearwater University shall not be liable to the Researcher or any third party for any indirect, incidental, special, consequential, punitive, or exemplary damages (including, but not limited to, loss of profits, business interruption, loss of information, or other pecuniary loss) resulting from the use of or inability to use the Dataset, even if Clearwater University has been advised of the potential of such damages.

10. The Researcher agrees to comply with all relevant laws and regulations, including but not limited to those concerning data protection and privacy, in relation to their use of the Dataset.

11. This Agreement represents the comprehensive agreement between the parties regarding this subject matter. No changes or modifications to this Agreement will be valid or binding unless documented in writing and signed by both parties.

12. All disputes under this agreement will be regulated by the applicable laws of the People's Republic of China.
